### *A Message from the Premier*

*As Premier of the Province of British Columbia, I want to congratulate everyone involved at Labatt Breweries for gathering the historic corporate materials and artwork from various locations across Canada, and donating those pieces to the University of Western Ontario and Museum London – the city where the original brewery was founded.*

*Labatts' legacy includes a long and proud history in British Columbia. It is great to know that a lot of that history is included in the collection, and that it will now be available for the public to appreciate as well.*

*Again, congratulations to Labatt Breweries for preserving the resources and now donating them to this very worthwhile endeavour.*

Sincerely,

A handwritten signature in blue ink, which appears to read "Christy Clark".
