Mr. Bary Benun, President
Labatt Breweries of Canada

Dear Mr. Benun:

On behalf of the Province of Nova Scotia, I am pleased to offer congratulations on Labatt's recently donating its historic collection of corporate materials and artwork to the University of Western Ontario and Museum London. It's wonderful to know that this important part of Nova Scotia's, and Canada's heritage will be preserved for generations to share and appreciate.

One only has to look to the millions of satisfied customers across this country to know how successful Labatt's has been since it was founded almost two centuries back. The company name is synonymous with Nova Scotia's reputation for hospitality and culinary excellence, and now, through this generous donation, all Canadians will be able to learn more about the rise of the Labatt's brewing empire.

I want to take this opportunity to thank everyone at Labatt's for their hard work and dedication making this company what it is today — a proud part of Nova Scotia's economy and history. Keep up the great work, and best wishes for many more years of success in this province.

Sincerely,

Darrell E. Dexter, Q.C., M.L.A.
Premier of Nova Scotia
