A Message from the Premier of Saskatchewan

As Premier of Saskatchewan, I am pleased to congratulate Labatt Breweries for their generous donation of historic corporate materials and artwork to the University of Western Ontario and Museum London, the site of the original Labatt's brewery.

Containing a treasure trove of valuable archives, including many that detail Labatt's long and proud history in Saskatchewan, future generations will be able to view, access, and appreciate these resources for many years to come.

The preservation and donation of this archival material is indeed commendable. Thank you for this initiative that will preserve part of our shared legacy.
